

## ADMISSIONS

(<http://www.uncw.edu/admissions/>)

The University of North Carolina Wilmington seeks to admit students with the intellectual ability to perform successfully in the collegiate community. Students must have the motivation and the determination to avail themselves of the learning experiences that will be beneficial to them if they are to attain both academic and personal enrichment. As a state-supported institution, the university is aware of its obligation to provide an educational opportunity to qualified applicants who will benefit from the program of study offered at UNC Wilmington.

Applicants may apply to enter the university at the beginning of the fall semester and at the beginning of the summer term. Admission counselors will carefully review academic qualifications of each applicant in a conscientious effort to admit students who have the potential for further academic achievement and growth. The university encourages and awards College Level Examination Program (CLEP), Advanced Placement (AP), and International Baccalaureate (IB) credit. Students should consult their high school counselor for further information. The university does honor the College Board Application Fee Waiver form if properly signed.

Each enrolling UNCW student must have an immunization record on file at UNCW (as required by law) before registration. (See Immunization and Health Forms section on page 35.) UNCW reserves the right to cancel admission offers to students who do not send their enrollment deposits or immunization records by the enrollment deposit deadline.

UNCW will cancel the offer of admission to students who do not enroll into their admitted term. Students must send a written request for consideration for a different term to the Office of Admissions by the application deadline date for that term.

The Office of the Vice Chancellor for Academic Affairs must approve any exception to university admission requirements.

Any student who supplies false or misleading information or who conceals pertinent facts in order to enroll in the University of North Carolina Wilmington will be subject to immediate dismissal from the university.

### **ADMISSIONS – GRADUATE STUDENTS**

Applicants to UNCW's graduate programs should direct all inquiries concerning admission to the Graduate School. Please refer to the graduate catalogue for admission requirements.

### **ADMISSIONS – INTERNATIONAL STUDENTS**

The University of North Carolina Wilmington welcomes interest and inquiry from international students, defined as those who are not U.S. citizens or who are not U.S. permanent residents. In addition to meeting regular freshman or transfer academic admission requirements, international students must also submit scores to prove English proficiency (TOEFL or IELTS), if English is not their native language or if they do not meet other established criteria for waiving submission of test scores.

International students requesting UNCW's F-2 visa sponsorship must also provide documentation proving that the financial obligations associated with their study at the university can be fully met. For details on international admission requirements and a list of all required documents, please refer to the Web site: [www.uncw.edu/intladmissions](http://www.uncw.edu/intladmissions). UNCW admits international students for every semester, but recommends that international students begin their studies in the fall semester. Certain academic programs require a separate, additional application in order to be admitted to those programs; for example, the Cameron School of Business and the School of Nursing.

The Office of International Programs will advise international visiting and exchange students. Visit Web site [www.uncw.edu/intlprogs](http://www.uncw.edu/intlprogs).

## **ADMISSIONS – PERMISSION/VISITING STUDENTS**

Students from other colleges or universities who intend to return to their home institution may attend UNCW as permission/visiting students in the fall or spring semesters or summer sessions. The university does not assume responsibility for determining a student's course selection when such credits are to be transferred elsewhere. Transcripts of work completed at UNCW must be requested through the Office of the Registrar to assure a record of academic work is sent to the home institution of the permission/visiting student. Enrollment as a permission/visiting student from another institution in no way obligates the university to continue a student's enrollment at UNCW at the expiration of the permission/visiting period. All application deadline dates apply to permission/visiting students.

To attend fall or spring semesters, students apply as permission students and must submit the undergraduate application, essay, \$60 application fee, and an official transcript from their current or most recently attended college or university. Permission students must be in good academic standing at their current or most recently attended institution and have attained at least a 2.50 cumulative GPA in order to be considered for admission. A student may only attend as a permission student for two consecutive semesters (not including summer session).

To attend summer school, students apply as visiting (permission) students and submit the Summer Visiting Student application. The Summer Visiting Student application is available by February of each year at [www.uncw.edu/summer](http://www.uncw.edu/summer).

The availability of class space cannot be determined until the late registration period each term.~~

## **ADMISSIONS – DUAL-ENROLLED HIGH SCHOOL STUDENTS**

High school seniors who wish to pursue academic courses on the collegiate level while attending high school may enroll at UNCW if they meet the qualifications for participation in this program. This program is available primarily to students in the Wilmington area. Applications for dual-enrollment are available in the office of the high school counselor or the UNCW Admissions Office. Students may enter this program for the fall, spring, or summer terms and may only register for two undergraduate courses per term (six credit hours). Applications and course selections for fall and summer terms should be received in the UNCW Office of Admissions two weeks prior to the first day of fall pre-registration. Applications and course selections for spring term should be received in the UNCW Office of Admissions two weeks prior to the first day of spring pre-registration. Each term applied for requires a new application. Late applications will not be considered. [www.uncw.edu/admissions](http://www.uncw.edu/admissions)

## **ADMISSIONS – SPECIAL UNDERGRADUATE STUDENTS**

Any individual who already possesses a degree from a four-year regionally accredited university or college and wishes to enroll for undergraduate courses at UNCW must apply to the Office of Admissions before the application deadline date. An official

transcript from the degree-granting institution must be sent from that institution to the Office of Admissions by the appropriate deadline date. Non-degree seeking students must meet the same retention standards as degree seeking students.

Candidates seeking a second or other degree must apply as transfer students and have transcripts from all universities or colleges attended submitted by the application deadline date.

All special undergraduates must submit the \$60 application fee.

### **FORMER UNDERGRADUATES (RE-ENROLLING)**

Former UNCW students (who left in good academic standing) who have been away from the university for at least **two consecutive semesters** and wish to return to the university can apply through the Office of the Registrar by submitting the online re-enrolling form and a non-refundable \$60 application fee. Any student who was away from the university for **one semester** and who was not in academic difficulty should contact the Office of the Registrar to re-enroll (without completing the re-enrolling form).

Former UNCW students who had been ineligible to return to the university must apply to re-enroll through the Office of the Registrar. A non-refundable \$60 application fee must be submitted to the Office of the Registrar soon after the online re-enrolling form is completed. Anyone academically ineligible two or more times may re-enroll during summer sessions only. Those who were in academic difficulty and need further information to understand their status and/or the re-enrolling policy should see the section on Retention, Dismissal and Readmission in this catalogue.

Any student who wants to re-enroll into UNCW and who attended another college or university since their last enrollment at the university must submit official transcripts from such institutions before they will be considered. A "C" average (2.00 out of 4.00 system) must have been attained on all work attempted at other institutions since leaving UNCW.

Former UNCW students who left in good academic standing must apply for re-enrollment before June 1 for fall semester and summer term, and December 1 for spring semester. Former UNCW students who have been declared academically ineligible to return to the university must complete the Re-enrollment Review Process prior to these deadlines as described below.

#### **Re-enrollment Review**

Former UNCW students who had been declared academically ineligible to return to the university must make their case in writing by submitting a statement to the Committee on Academic Reinstatement in addition to their online Re-enrollment Application. The instructions for requesting reinstatement will be provided by the Office of the Registrar. The reinstatement request must be submitted by March 1 for fall semester and October 1 for spring semester. The results of the review will be passed on to the Office of the Registrar with a determination of the acceptance, or rejection, of the applicants depending upon their potential for academic success. Students who are allowed to re-enroll may be required to meet with their dean to discuss their academic plans. Decisions of the deans in this regard are final.

#### **Special Readmission Policy**

Although the traditional policy for readmission is the norm, the university recognizes that individuals can gain personal and intellectual maturity over a period of years. Hence any former UNCW degree-seeking student whose grade point average was below the current retention standard may apply for special readmission provided the student has been out of UNCW for a minimum of five years. Special readmission may be granted only at the time of application for readmission. Special readmission status, once granted, may not be changed. Degree requirements for the student granted special readmission will be those in effect at the time the student re-enrolls. The student's original academic record will not be altered, and the student will receive academic credit only for past courses in which a grade point average of at least 2.00 was attained. The student's grade point average will be calculated only for those courses taken subsequent to re-enrollment. Failure to maintain an overall 2.00 grade point average after readmission will result in dismissal from the university. A student may be granted special readmission only once.

#### **UNCLASSIFIED ENROLLMENT PERMISSION**

Applicants who are denied regular admission to the university may be considered for enrollment as unclassified students under special circumstances. No student who has graduated from high school less than two years prior to application may be considered for unclassified status. Unclassified status does not constitute admission to any degree program at the university.

An unclassified student may enroll in up to 18 credit hours of courses in a semester, but may attempt no more than a cumulative total of 30 credit hours while unclassified. If the student does not qualify for degree status after 30 credit hours have been attempted, the student's enrollment will end and the student may not reapply for admission. Unclassified students are subject to

all applicable academic regulations of the university. Unclassified students are not eligible for federally funded financial aid programs. See also Conversion from Unclassified Status in the UNIVERSITY REGULATIONS section of this catalogue.

**IMMUNIZATION AND HEALTH FORMS**

North Carolina General Statute 130A, 152-157, establishes specific immunization requirements for all students enrolled in North Carolina colleges or universities. It is the responsibility of the Student Health Center to monitor the immunization record of each student to ensure compliance with state law and university requirements.

All UNCW students are required to submit to the Student Health Center a complete and up-to-date immunization record.

Student medical forms required for physical education participation will also be collected at the Student Health Center.
