**Prerequisite:** Two units of high school Spanish and appropriate placement exam score.

**Course Description:** The course objective is to attain basic reading, writing, speaking, and listening skills through intensive listening and speaking practice. The course will follow an accelerated pace since it is intended for students with two units of high school Spanish or an appropriate departmental placement exam score. Learning strategies include daily vocabulary and grammar exercises, conversation, quizzes, discussion of topics related to Spanish and Spanish-American culture and written assignments. We will cover chapters 1 – 8. The course is conducted in Spanish and demands the active participation of each student on a daily basis.

**Course Objectives:** The instructional goal of this class is to develop communication skills in Spanish with an emphasis on listening and speaking, but you will develop your reading and writing skills as well. You will practice these four skills by learning about different cultures, making cognitive and social connections during in-class group work, and by completing written assignments.
