Psychology Statement of Interest

Directions:

4. Please indicate whether you are applying as a Full-Time or Part-time student, noting that only full-time students may be considered for graduate assistantships.

Full-Time

Part Time

5. If you are applying as a full-time student, indicate the form of assistantship for which you wish to apply. Please check one option only:

I wish to be considered for a **research assistantship**.

I wish to be considered for a **teaching assistantship**.

The statement of interest should be 500 – 800 words in an essay format, double spaced and Arial 14 point font. Your statement of interest should address the following points:

- a) The areas of psychology in which you are interested
- b) Your career and educational goals immediately upon completion of the master's degree
- c) Your long-term educational and career goals
- d) How completion of this degree program will help you reach your career and educational goals; and e) any career-relevant experience you have had (e.g., instructional, research, computer skills, counseling, animal care, etc.)
